

KINGS WAY RENOVATIONS

Kings Way Renovations, a division of Kings Way Homes, brings 35 years of construction experience, award-winning* innovative design, superior quality construction and attention to detail for your next remodeling project. Kings Way Renovations will transform your existing space into a dream come true.

Kings Way has been constructing homes in Southeastern Wisconsin for over 35 years. Our solid reputation for superior quality construction and innovative design, places us in the unique position of being able to offer an exciting, new remodeling service to our customers. Starting with our exclusive team of home designers, who will sit down with you, one-on-one, to review your current house plans, discuss your ideas and work with you to transform your existing home into your special retreat. Our in-house Design Studio professionals will assist you in choosing just the right materials and colors to completely coordinate or complement your existing home, and put the finishing touch on your new addition. You can relax knowing that your home renovation project will be superbly designed, constructed with the finest materials and the highest standards of craftsmanship.
