

THE KINGSTON

N21 W24805 Still River Dr., Pewaukee

Hwy. 16 in Pewaukee to Main Street exit, east to Hwy. JJ (Bluemound Road). Turn right and go 1 mile to Still River Subdivision entrance (east side of street).

Kings Way's award winning design team unveils The Kingston, a seamless blend of elegance and efficiency at just 2,300 square feet (with the optional canted garage). This free-flowing and dynamic floor plan includes a gourmet kitchen with huge granite island that opens to a classy great room and large dinette. Painstaking efforts were made to create a smaller ranch design that is super functional with loads of panache!
